Do you know that we offer low-cost spay/neuter & vaccination services for pets?   Yes   No
Have you used our clinic in the past to spay/neuter or vaccinate your pets?       Yes   No
Do your pets have a regular veterinarian where they receive veterinary care?       Yes   No

## Animal Names:

_____

### *Dog & Cat Information:*

You will **only** be able to receive assistance for cats and dogs initially registered on this form. If more pets come to you in an **emergency situation**, please talk to the staff. All food is provided by donations and we cannot guarantee the amount of food every distribution or the variety of food we receive. We understand that some pets need special diets or have restrictions and we will accommodate only when we are able to.

***Please note that all pets must be fixed or scheduled to be fixed to receive assistance. The Prevent-A-Litter Program (PAL+) can assist with cost of spay/neuter.***

### Cat Information:

House cats:

How many cats (not ferals) are you feeding that are already spayed or neutered?          _____

How many cats (not ferals) are you feeding that are intact (not spayed or neutered yet)? _____

Are you feeding your cats (please circle one):      dry food          wet food          both

Are there special diets or dietary restrictions (we cannot always accommodate special diets but will attempt to do so when we are able) _____

Are there any types of food your cat will NOT eat? _____

Feral Cats:

***To receive assistance the colony must be Trap -Neuter(Spay)Returned (TNRd). Please let the community pet resource manager if you need assistance with TNR.

Are you feeding feral cats? If so, how many _____

Are they all spayed/neutered and/or ear tipped? _____

Are any of the cats that you are feeding tame cats that you would like to rehome?   Yes   No

Are you needing food for (please circle):   only the feral cats        feral cats & personal pets

### Dog Information:

How many dogs are you feeding that are already spayed or neutered?          _____

How many dogs are you feeding that are intact (not spayed or neutered)?       _____

### How many dogs are you feeding of the following sizes:

Up to 10 pounds (ex. Chihuahua, Yorkshire Terrier, Toy Poodle)          _____

Are you feeding your dogs (please circle one):      dry food          wet food          both

Are there special diets or dietary restrictions? (We cannot always accommodate special diets but will attempt to do so when we are able) _____

Are there any types of food your dogs will NOT eat? _____

### Scheduling Dates to Pick up Food

*If you require more than 150 pounds of food at distribution (cat, dog, or both), you need to contact the Kibble Supply Coordinator to set up a date each month to pick up food. Coordinating one distribution day a month will help ensure enough food is provided each month for everyone.

Best way to contact (please circle one):              email                    phone

# Kibble Supply Guidelines

Keep this page!

**The goal of our Kibble Supply Pet Food Pantry is to help community members feed their pets so that they don't have to relinquish them to shelters.** Qualifying pet owners regardless of their location can receive supplemental amounts of dog and cat food to help feed their pets. The Kibble Supply Pet Food Pantry is not a resource for rescue organizations or other animal shelters.

### Photo identification is required
You will be asked to show identification when you come to pick up food. This will help us find your information more quickly, allow us to make updates to your form, confirm your legal address, and verify you are the person receiving the service. Please remember to bring a valid driver's license, ID card or some form of photo identification that has your name and address.

### Number of visits may be limited
All Kibble Supply clients may receive food for 3 consecutive months out of the calendar year without providing proof of need. If you need food assistance for a longer period, you must provide proof of government assistance or low income. Once proof is provided, you may receive food for the remaining months during which you need assistance.

### Proof of need required after 3 months
To receive assistance for longer than 3 months, you will be asked to provide proof of need. This means bringing proof of the qualifying benefit you receive.

### The following programs qualify:

| | | | |
|---|---|---|---|
| Medicaid | TANF | LEAP | SSI |
| WIC | OAP | AND | Larimer County Works |
| Food Stamps | CCAP | OLTC | Section 8 Public Housing |

If you are not on a government assistance program but fall under government low-income guidelines, please bring proof of income such as pay stub or unemployment paperwork.

### Food is available first come, first served
The Kibble Supply Pet Food Pantry is a first come, first served program. We ask that you not save spots in line for other people receiving food. Distribution begins at 9:00 am and ends at 12:00 pm. If you are unable to come during a designated distribution, alternate pick up must be approved by the Community Pet Resource manager. It is unlikely you will be able to pick up food from the shelter outside of distribution times.

### Amount of pet food supplied
This program is intended to supplement the food you purchase for your dogs and cats. **We will provide you with half of the amount of food needed to feed your pets for one month.** Food amounts for dogs are based on the dog's weight. All cats receive a set amount of food regardless of size.

### Food for the Kibble Supply is donated from multiple places
The food from the Kibble Supply Program is donated and may not be what your pet is used to. It is recommended to mix the donated food gradually with your pet's current food to avoid stomach upsets. Animal Friends Alliance staff and volunteers will not be held legally liable if your pets become ill from the donated food.

**Other pet food banks**
If you receive food from another pet food bank, please refrain from getting food from the Kibble Supply Pet Food Pantry. We want to help as many people and pets as possible, so PLEASE take only what you need. The demand for this resource is always greater than the supply.

**Pets must be spayed/neutered**
**We require that any cats or dogs you are feeding on the program must be spayed/neutered**. If any of these animals are not spayed/neutered, you will be given two opportunities to comply before we are unable to continue helping you with food. We reserve the right to ask for spay/verification from your regular veterinarian. If the pet came to you fixed and you have no vet history, we may be able to schedule you with one of our vets for verification.

If you need financial assistance with spaying or neutering any of your pets, please ask. We would love to help! Read more about our [Prevent A Litter (PAL+) program](#) on the Animal Friends Alliance website and see if you qualify for a significantly reduced cost spay/neuter.

**Picking up food for others**
You can pick up food for yourself and one other person only. You must be listed as an "authorized" pickup person. To authorize someone to pick up your food, you may call or email the Community Pet Resource Manager.

**No new pets, please! We cannot stress this enough!** We know you want to help us save all the homeless animals in our community; however, we urge you to refrain from bringing more pets into your home than you currently have. If you find a dog or cat that needs help, we will be happy to give you information on different animal rescue resources in our community.

## 2020 Distribution Dates (9am-noon)

Food is distributed outside of the **Mulberry Campus Unit 8 door.** Please **DO NOT** come to the shelter any other times except for distribution days. Plan accordingly when you are low on food and come to the appropriate distribution day each month.
