

ANNUAL REPORT

2010

Mission

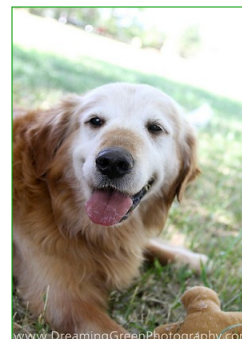

Six to eight million pets enter animal shelters each year, according to the Humane Society of the United States. Ultimately, half (4 million lives) are euthanized as animal shelters do not have the capacity or means to humanely care for them. Only about 5,000 shelters exist to help these animals, Animal House is one of them.

Animal House Pets & Grooming, Inc., located at 1104 W. Vine Drive in Fort Collins, Colorado opened in March of 2007. Established as a 501c(3) non-profit animal shelter and grooming facility, Animal House has saved over 1,700 lives to date.

We provide support to 25+ open-admission shelters who are overburdened by pet over-population and lack of resources. At Animal House we give them that precious resource - time. Together with the community we are saving one life at a time.

Board of Directors

Sandra Risler, Co-Founder/Exec. Director	Cat Cross, Treasurer
Ali Eccleston, Co-Founder/Dir. Operations	Peter Dauster
David Quijano, President	Anthony McNeill
Meredith Mayer, Vice President	Frank Vaught

Services

Dog Adoptions - At Animal House, we believe in personality and life matches. We take the time to learn our dogs so that both pet and people find their forever match.

Grooming - Let your dog save other dogs' lives. Through our professional grooming facility we give the community another great way to support our shelter.

Micro-chipping - To help pets find their way back home, we offer low cost micro-chipping identification. It's quick and easy and gives you and your pet a lifetime of security.

Programs and Outreach

Shelter Transfer Partner – Animal House exclusively supports open-admission, over-burdened shelters, both statewide and nationally. Partnering with these higher populated and under served communities, we provide relief both emotionally and physically to animal shelters who have little choice but to euthanize due to time and space. This successful program has helped to save over 1,700 lives and provides a much needed service both to the animals and our communities.

Youth Education - One of the most important things we can teach our youth is empathy and compassion. Learning this through hands-on volunteering and informational tours, Animal House is proud to give children a cause for giving.

Volunteer Program - From dog walking, fostering to fundraising, Animal House has many opportunities for volunteers to get involved. Volunteers are the foundation of our shelter and are the reason why we are reaching our 5th year serving the community.

Community Involvement

Last year, Animal House could be seen at many events such as these!

Annie's Walk	Kansas Kitty Bake Sale
Applefest at Fossil Creek Nursery	Larimer Co. Fair
Avalanche Night	Linnea Dick Memorial Walk

Fort Collins Brewery	Speedy Sparkle
Front Range Community College	Taste of Fort Collins
Front Range Village Dog Park	Trivia Nite at CB & Potts
HuHot	VTH Open House
Ignite Presents	Wagz
Independent Art Gallery	Wellington Pet Fair

Financials

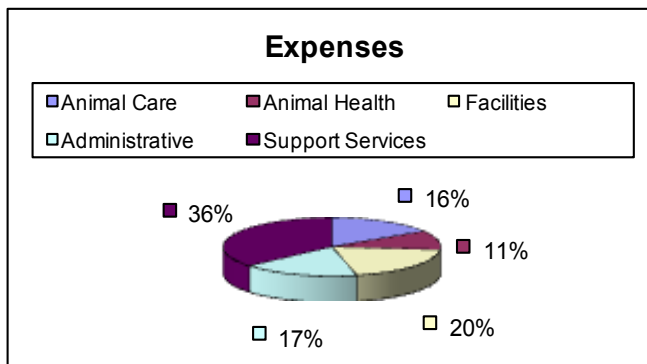

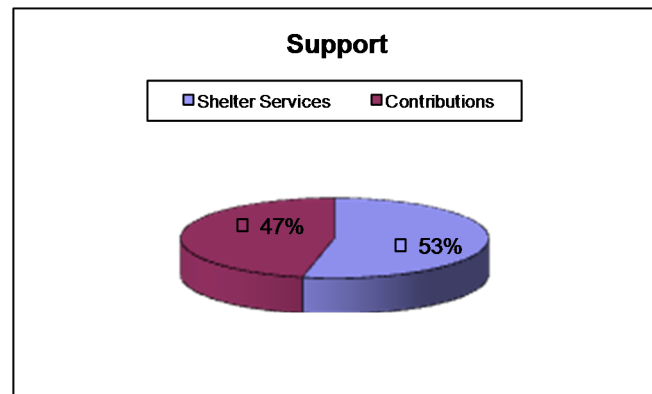

Animal House provides each animal with important medical care such as vaccinations, spaying/neutering and micro chipping. Taking responsibility for these homeless animals means giving them the right to health to the best of our ability, both physically and emotionally. We are proud to operate with an efficient budget in order to do this. For the first time since Animal House's creation, we are beginning the new year with a healthy cash flow. This reflects a stronger organization with a stronger future in which more lives will be given a second chance.

Intake: 408 Dogs

Shelter Services *	174,370

(*** includes loan, insurances, grooming, taxes, etc.)

Excess of Revenue over Expenses \$ 46,409

Donors , Grants and Fundraising

Like most shelters, our adoption fees cover a small percentage of our income. Few shelters can operate successfully without a strong donor support program. Animal House relies on this support from grants, fundraisers and donations. From work place matching, to participation in the Colorado Combined Campaign to our monthly sponsorship program, hundreds of lives are saved each year. We thank each and every one whom because of them, life exists at this little shelter called Animal House.

Grants:

Alice Jenkins Foundation
Bernice Barbour Foundation
Build-a-Bear Foundation
