2017 Annual Report

Our Mission

The mission of Animal House is to decrease the euthanasia rate of adoptable animals by:

- Collaborating with overpopulated and underserved shelters.
- Providing the community with education, information, and outreach.
- Providing adoption opportunities for homeless animals and giving them what they need most – time to find their forever homes.

Services

ADOPTIONS

At Animal House, we believe in lifelong matches. We take the time to learn about our dogs so both pets and people find their forever matches.

GROOMING

Let your pet save other dogs. Through our professional grooming salon, we give the community an opportunity to support our mission and receive compassionate grooming services for their pets.

MICROCHIPPING

To help pets find their way back home, we offer low-cost microchipping identification. It's quick and easy, and gives you and your pet a lifetime of security.

Programs

Animal Care & Intakes

– As part of our mission, we collaborate with overpopulated and underserved shelters to help decrease the euthanasia rate of adoptable dogs and puppies. In 2017, we welcomed and saved 779 animals for a monthly average of 65 arrivals. At our new home, lockers were set up for each adoptable dog to house their supplies, a fitted collar and harness, and favorite toys to help our staff and volunteers care for them until adoption.

Foster Care Program

– Our foster care program allows us to save more lives each year. Foster care is ideal for puppies too young for the shelter, dogs that are recovering from illness or injury or dogs that are shy or stressed by the shelter environment. In 2017 we recruited and trained 80 new foster homes and they, along with our existing pool of foster homes, provided shelter and care to 653 dogs and puppies.

Grooming Salon Manager

Veterinary Program – With the move to our new shelter, the overall number of dogs and puppies we treated is lower than 2017; however, we increased the number of senior and special needs dogs we saved and helped. Dentals increased by 45% and we welcomed 43% more heartworm positive dogs. Increased cleaning efforts lead to a 48% decrease in the number of respiratory infections and we now have more dedicated space to isolate and house ill dogs. Our veterinary team performed 392 spay/neuter surgeries, 1,247 exams, 107 dentals and 17 other surgeries. Our average cost of care is \$450 to \$500 per dog.

Grooming Services – The grooming salon at Animal House allows our community to pamper their pet while helping us save more lives. Revenue generated by grooming services supports the shelter. In 2017 the salon groomed 3,339 animals and performed 1,309 nail trims, 43 spa packages and 183 tooth brushings.

Volunteer Program – Our volunteer team donates their time to help with animal care, dog walking and enrichment, off-site tabling and Meet N Greet events, freedom rides (transports), maintenance, fundraising events, foster care, photography, front desk reception and veterinary care. In 2017 we welcomed and trained 256 new volunteers and our entire volunteer team donated 15,870 hours of service.

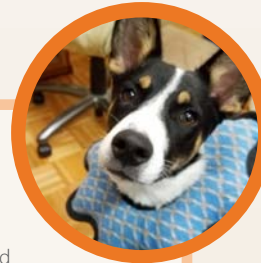

Fundraising and Community Outreach – We host several annual fundraising events to generate shelter revenue including the Run Fur Fun 5K, Choice City Comedy Nite, and the Phantom 4 Miler. We are also the beneficiary for community events such as the Dirty Dog Wash and Fall Harvest Brewfest. Our event volunteers also participate in community events, festivals and Meet N Greet visits to promote the shelter and how the community can get involved. In 2017 we participated in 38 events and our event and fundraising efforts generated more than \$73,690.

Savannah

She is such a joy and love. She and Izzy are best buds and Izzy has adopted the Big Sister mantel to make sure no one messes with Savannah. Savannah has completed Puppy training and “was of course the smartest puppy there.” She has had some adventures along the way, which I captured in the photos attached: A little snack on a walk and a Tough toy stuck around the neck after she tried to take it through the dog door!

Her foster parents were excellent as she has had no issues and is very well adjusted, very independent yet extremely lovable. Again, I just wanted to thank you for the great care before she found her forever home. - Karen S.

Fundraising and Development

An anchor to our fundraising efforts is Colorado Gives Day. This philanthropic day encouraging donors to give where they live raised more than **\$37,037** from 261 donors for Animal House.

In addition to our annual events, community fundraisers hosted by local businesses raised an additional \$12,170.35 to help us continue our mission and life-saving work!

Choice City Comedy Nite

On April 8, 2017 more than 350 supporters and 33 volunteers gathered at the 5th Annual Choice City Comedy Nite... Wild Wild Woof raising **\$26,800** to help save more lives! Comedy Nite featured a silent and live auction, musical entertainment, heads or tails game, paddle raiser, mystery boxes, adoptable dogs, lasso game and comedians!

Run Fur Fun 5K

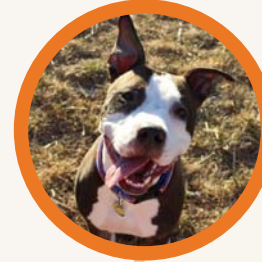

The 2017 Run Fur Fun 5K on March 4th sold out with 600 participants and more than 400 hundred dogs enjoying a morning of fun to save lives! Everyone, including 48 volunteers, enjoyed our new race venue with the start and finish at New Belgium Brewing in Fort Collins. After the race, participants had breakfast from Snooze an A.M. Eatery, visited sponsor booths, listened to live music, and saw prizes awarded for overall finishers, biggest dog, smallest dog, the top 3 canine finishers and more! **\$12,458** was raised for our shelter!

Fall Harvest Brewfest

On September 23, 2017, despite rain and cooler temperatures, nearly 1,000 attendees, 57 sponsors/vendors, multiple food trucks, and 64 volunteers enjoyed an evening at the Lincoln Center in Fort Collins filled with brews, spirits, food, live music, a silent auction, drawing and more! More than **\$12,515** was raised for Animal House at the 9th Annual event!

Phantom 4 Miler

More than 450 registered participants, hundreds of dogs, 25 sponsor booths and 53 volunteers made the 8th Annual Phantom 4 Miler on October 28, 2017 a success for the animals at Animal House Rescue & Grooming and Fort Collins Cat Rescue & Spay/Neuter Clinic! More than **\$13,900** was raised to help both nonprofits save more lives.

BamBam

I adopted BamBam in October 2016. He swallowed a toy during his stay at Animal House, and had to have surgery to remove it. He still loves toys a little too much, but we have since found healthy outlets for him! In fact, BamBam and I have aspirations of competing in canine disc sport! He is a very talented boy and loves to play with Frisbees more than anything.

BamBam has two doggie siblings- Brita and Blitz! They are also rescues, and the trio loves each other very much. Their favorite thing to do is romp around in the background, followed by cuddling in bed together at night.

I am so thankful to have BamBam; he has been such an amazing addition to my life! He is just about the happiest dog I have ever known- he loves every person, dog, and cat he meets!

Thank you Animal House for all you do!

- Jordan Flagg

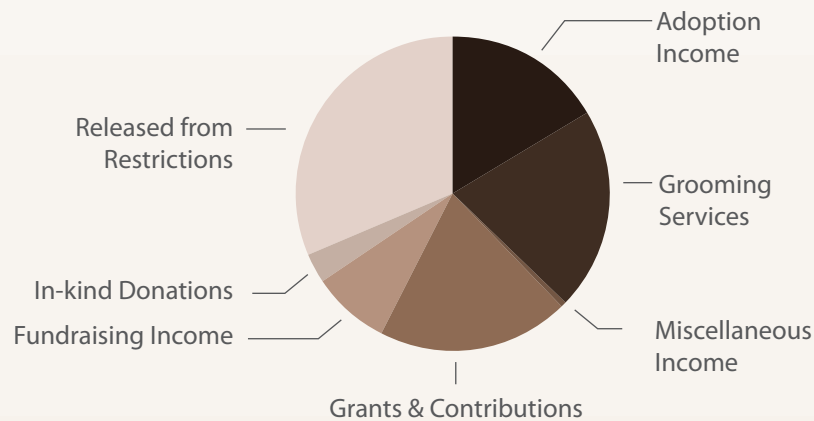

Second Chances *by the Numbers*

Animal House provides each dog and puppy with necessary medical care, such as vaccinations, heartworm testing, spaying/neutering, and microchipping. Taking responsibility for these homeless animals means securing the funds to care for them both physically and emotionally. The move to our new shelter home in 2017 allowed us to provide more in-house services to the animals in our care even though our intake and adoption numbers were slightly lower than 2016 due to relocation. **With more room for new arrivals and more adoption runs, we anticipate a 20% increase in adoptions between 2018 and 2019.**

Transferred out 2
Euthanized 6
Died in our care 2

Grants & Annual Fundraisers

As with most shelters, adoption fees cover just a small percentage of our operating costs. Shelters need strong donor-support programs to operate successfully, and Animal House, relying on support from grants, annual fundraisers, and donations, is no exception. Through workplace matching gifts and our monthly donor program, The Fur-lanthyropy Club, and by participating in the Colorado Combined Campaign and Federal Combined Campaign, we are able to save more dogs and puppies every year. We are grateful to each and every donor who makes our work possible.

Grants

Animal Assistance Foundation	\$45,000
ASPCA	\$25,000

Foster Care Homes

Second chances need the best possible start. Since our founding, volunteer foster care homes open their hearts to adult dogs and puppies that need a temporary space, and time, to recover, grow, and work on manners until their forever family comes along. Each unique and dedicated foster family has provided life-saving time and care for these dogs, and for that, Animal House and the animals in our care are forever grateful! Thank you to our 2017 foster care families who help save lives!

Murdock

My husband and I wanted to share our Happy Tail with you. We adopted Murdock back in January of 2016. He loves to fetch tennis balls and go on adventures. He brings us so much joy and is truly a part of our family.

This summer we all ventured to California for our wedding. Murdock definitely stole the show in some of our photos! Thank you so much for connecting us with our furry best friend!

Animal House Rescue

Monthly giving is so vital to Animal House's mission to help the animals entrusted in our care. Many animals that we care for have had little to no veterinary or nutritional care. By becoming a monthly donor (for a minimum of just \$10.00 a month), supporters are helping to give safe housing, quality food, important medical care, and the hope to be loved.
