

Mobile Checkout for Adopters

Complete your adoption right from your phone with Mobile Checkout!

How Mobile Checkout Works

★ IT'S QUICK & EASY! ★

Receive the checkout text

You'll receive a text message that says "Complete your adoption here". Tap the link in the message to start your checkout process.

Review your new pet's information

View your new pet's photo and adoption fee, then tap "next" to carefully read through any disclaimers and the adoption agreement.

Make a donation and review special offers

Add a donation as a way to say thanks! Take advantage of special offers like pet insurance and pet supply discounts right on the spot.

Enter payment information

Enter your credit card information, consider covering the organization's processing fees with an additional small donation, and tap "Submit Payment". Congrats on your new family member!

You'll be home with your new pet in no time!
