## More Cats Saved Thanks to Dennis Schick

*Thanks to a generous supporter, we will be placing more cats in homes and raising more funds for the **Saving Pets Challenge***

**Dennis Schick** of Re/Max Alliance is a true animal lover and longtime supporter of Animal Friends Alliance, both professionally and personally. He can be found sponsoring events, donating, and is a Superhero-level **BizPAW** supporter.

Each year during the **Saving Pets Challenge** crowdfunder, Dennis generously sponsors cat adoption fees and creates his own Saving Pets Challenge **fundraiser** for adopters to donate to in lieu of a standard adoption fee. Dennis will be sponsoring cat adoptions from Friday September 16th - Sunday September 18th. We are currently in second place in the **Saving Pets Challenge**; help us win the grand prize of \$50,000 for placing first!

Make sure you donate to **Dennis Schick's Saving Pets Challenge fundraiser** as a thank you for his lifesaving support!

## Adoption Feature

### Help Bell Pepper Find a Loving Home!

---

Bell Pepper is one of many cats we have saved with our Community Cat Program. She was found with her four kittens here in Fort Collins. Luckily, she was very friendly and accepting of our help.

Bell Pepper and her kittens all tested positive for FeLV (feline leukemia virus). This means she must live with other FeLV+ cats or be the only cat in the home. Bell Pepper is an exceptional cat! She loves treats, pets, and to play. She has such an affectionate personality that will be sure to win the hearts of many.

Interested in Bell Pepper? You can complete an adoption questionnaire by visiting our [website](#) or send any questions you may have about her to [adopt@savinganimalstoday.org](mailto:adopt@savinganimalstoday.org). If you're not in a place to adopt a new friend, you can also [donate](#) to support her care and ensure we can keep helping dogs in need like her!
