

Kibble Qualification Guidelines

(Updated January 2026)

Listed below are the 2 options a client can show proof to qualify for the Kibble program

1. The client can be on any of the government assistance programs listed below.

OR

2. The number of household members and total gross household income (see below) qualifies as low income assistance. If there are extenuating circumstance(s) such as loss of income/job/medical expenses, please contact our Community Pet Resources Manager to discuss further.

Examples of Government Assistance Programs and Documents Needed
