WHISKERS OR TAILS

Hit the slopes in style with a 4 day Silverthorne stay! Avoid the winter traffic and retreat to a stunning 3-bedroom, 3.5-bathroom luxury condo in Silverthorne — just 20 minutes from Arapahoe Basin! Before you head out, make sure your skis are ready for the weekend with two certificates for One Free Platinum Tune at Outpost Sunsport. Enjoy a full day on the mountain with two single-day lift tickets, then unwind in total comfort. Rejuvenate with a \$50 gift certificate to Clint's Bakery & Coffee House, just 20 minutes from Silverthorne! Soothe your muscles with two \$100 gift certificates to the Breckenridge Grand Vacations spa, and cap off your perfect day with delicious food and drinks using a \$75 gift card to Timberline Craft Kitchen & Cocktails, \$50 to Kenosha Steakhouse, and a \$20 gift card to Syndicate Brewing.

How to play: Simply purchase up to three sets of beads per person for \$20 each, and you'll be able to play! During the program, you'll guess the outcome of a coin flip by showing whiskers (heads) or tails (tails). If your guess matches what side the coin lands on, you stay in the game. The last person standing wins! Each set of beads = one life. Beads purchased during ticket registration will be in your check-in bag at the event.

THE ART GAME

In this fast-paced game, be the last to raise your bidder number to win this beautiful, framed, original artwork made by long-time supporter, Len Mahoney. Every time you raise your paddle, you are donating \$25 to the Alliance so raise it as many or as few times as you'd like to try and be the last bidder number raised!

Example: you could raise your paddle 5 times and you will be committing to donate \$125 whether or not you win the art. If someone raises their paddle once and they are the last paddle raised, they win the art and only need to commit to donating \$25.

MOBILE BIDDING

Mobile bidding is available for all silent auction items! Bid from the convenience of your cell phone and be alerted when there's competition for your favorite items. Here's how to participate:

Hi! I'm Clara!

I photograph:

I am that girl, third-wheeling your love story, hyping you up, and probably making weird noises to get your pets attention.

Let's do this.

SPROUT-A-THING

No bidding wars here! For \$25 you can buy a bottle of Colorado wildflower seeds and receive a special surprise gift valued at at least \$25!

There's no limit on how many bottles of seeds you may purchase, and there's no way to get outbid. There are a limited number of things, however, so get yours before they're gone!

BRONZE SPONSORS

MAGNIFICENT BEASTS

One of our favorite Gala for Animals traditions are the amazing, unique pieces of art created every year for our silent auction: the Magnificent Beasts!

The Beasts each begin as a wooden silhouette cutout of a dog or cat and given to a local artist who is invited to make the piece their own. The artists have complete artistic freedom with the Beasts, and we eagerly await their creations each year.

The Beasts represent a celebration of art (especially pet-themed!), local talent, and a way for our supporters to take home a one-of-a-kind gift while supporting our mission.

Bid high and often for these unique works of art. Don't lose out on the one you love! Set up notifications on Givi Mobile Bidding App so you know when someone outbids you, and you may take home a work of art that you will enjoy for years... so keep bidding and keep the fun going!

Sincere thanks to the artists who donated their time and talents to create one of a kind Magnificent Beast!

Animal Friends Alliance is a “limited admission, adoption guarantee shelter” for cats and dogs. This means we have to limit how many animals we take in due to space and financial restrictions, but we guarantee that every animal we take in will stay with us until they find a good home. We are 100% committed to every cat and dog that comes to us, and we do our best to make sure each one goes to the right home with an adopter who is ready to make a lifelong commitment to them. If for any reason an adopter cannot keep the animal they adopted from us, we will always take them back.

By providing subsidized spay and neuter for both dogs and cats, our spay/neuter clinic offers a proactive solution to pet homelessness. The clinic also provides preventative health care including vaccinations, deworming, heartworm testing, feline viral testing, and microchipping. For pet owners who are in a low-income bracket or receive government assistance, we offer financial assistance for spay/neuter through the Prevent A Litter Plus (PAL+) Program, and free supplemental pet food through the Kibble Supply Pet Food Pantry.

To date, the shelter has found homes for more than 50,000 dogs and cats, and the clinic has spayed and neutered over 139,500 cats and dogs.
